

Walk´n Roll 2017

You´re hereby invited to participate in the Danish "Foreningen for Ataksi / HSP"´s sixth "Walk´n Roll" event on our **The Danish national Ataxia / HSP day**. You can read more about the association and the event on www.sca-hsp.dk

The purpose of this event is to raise awareness for our rare diseases, which often cause us to use walking aids, i.e. canes, walkers or wheelchairs. At the same time we´ll enjoy being together with family, friends and everyone interested - and we hope many people will show up and participate in the event which takes place in the beautiful nature around the lake Damhussøen. Bring your family and friends and enjoy a lovely day.

*
